Love GOD | Love EACH OTHER | Love THE WORLD

Letter from Rob Hatfield

This past Saturday was the last day of Upward Basketball season, and by all accounts the season was a fantastic success! Thank you to Ashley Johnson for all the hard work you do in front of the scenes and behind the scenes to enable this program to run smoothly and allow so many children to hear the good news of Jesus. I also know the season would not be possible without all the coaches

who diligently work with our children each week to not only teach the skills needed for basketball but also to love children with God's love. Thank you, coaches! I'm also grateful for the fantastic encouragement that our parents, grandparents and friends bring to each basketball game. On my little team of K-2nd graders this was especially evident on Saturday when every player on our team in the last game scored a basket, including two kids that hadn't scored all season. I wish you could have heard the crowd erupt with jubilation when the basketballs went in! It was awesome to hear the crowd so excited about encouraging our kids!

Speaking of wanting the best for our families, in addition to Upward, we had a wonderful Parent Summit this past weekend. Erica Holloway did her always amazing job of recruiting top notch speakers to invest in our parents and families. I've heard many wonderful comments about the things learned and how the lessons will be used within different family contexts. I am so thankful for the opportunity to invest in our families, and I'm thankful my family gets to reap the benefit of being invested in as well! A special thank you to all the workers who helped make this event a success!

There is another event coming up geared for our students called DNOW: Family Ties. On the weekend of February 15-17 our students will have large group worship, small group Bible study, and times of fun for all! From my seasons in student ministry, I know events like this can be life changing times in the lives of students where friends are made, relationships with God are begun or strengthened, and life-long memories are forged. For more information please follow the link below and get your student signed up!

Today, the tithe is a point from which we can evaluate ourselves to see how serious we are about honoring God.

- Tithing reminds us of God's ownership and our stewardship.
- Tithing provides a stimulant for further growth in giving.
- Tithing causes us a means for supporting Kingdom causes.
- Tithing can help us become disciplined givers.

We need not pretend that we love Him and trust Him and that He is Lord of our lives if we are not willing to make Him Lord of our money.

God promised to bless us as we give. He blesses people in many ways – spiritually, intellectually, socially, physically, as well as economically. God gives us blessings when we tithe because He promised to, and because tithing honors God.
