

WELCOME TO 2020. SOUNDS FUTURISTIC DOESN'T IT?

Remember the year 1999 when we were anxious about Y2K? At that time did you ever think two decades would pass so quickly? Yet, here we are in Twenty-Twenty. Twenty Years! We couldn't have imagined the changes that have taken place in the past 20 years. We have made remarkable technological advances, but it seems in humanity we haven't learned very much. How have you changed in the past two decades? How have you grown? Have you become the person you thought you would be? Have you accomplished all you thought you would accomplish? Have you become a more gracious and loving follower of Christ? Most likely not everything worked according to your plan.

One of the wonderful things about a new year is the new beginning. A chance to start over with the first day of a new year. Actually each day we have that same privilege with our Lord. The gift of Christ Jesus gives us the opportunity to become new, to start over time and again... and not only to start afresh, but to grow in the direction of being recreated in his image. The image of Christ our Lord. We only have to allow him to transform us.

2 Corinthians 17 says:

¹⁷Therefore, if anyone is in Christ, he is a new creation; the old has gone, the new has come!

Let us today begin the transformation. Individually and as a church let us commit to being conformed to the image of Christ and transformed by the renewing of our hearts and minds.

See you next year!
Terry

Please remember to return your pledge cards. Prayerfully consider your support of the 2020 Mission and Ministry Plan.
