A worshipping family of believers in Jesus Christ committed to understanding,  
living and sharing His message of hope for all people.

### OUR FATHER

*6 Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. 7 And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.*

*Philippians 4: 6-7*

A young child is playing in the backyard. Dad is on the deck grilling when suddenly the child begins to scream "Daddy" and runs to him. Something moved in the bushes and it frightened the little girl. She knew where safety was, she knew where to find protection and comfort. Daddy.

No matter our age, our position or ability, we are still children. That is why when the disciples observed Jesus praying in such an intimate way, they wanted to know how to talk to God like that, too. Jesus called God "Father." Christ began with "This, then, is how you should pray:

Our Father, who art in heaven,  
hallowed be thy name;  
thy kingdom come;  
thy will be done;  
on earth as it is in heaven.  
Give us this day our daily bread.  
And forgive us our trespasses,  
as we forgive those who trespass against us.  
And lead us not into temptation;  
but deliver us from evil.

For thine is the kingdom,  
the power and the glory,  
for ever and ever."

In this prayer we acknowledge God for who He is, Father. We worship Him as holy. We affirm his power and authority over all things. We ask for His provision, acknowledge our sin and repent, and request His protection and help in overcoming sin and temptations. This week use this model daily. Think of what it means to you individually and to the church collectively if we truly approach Our Father in this way.

Let us pray...  
Terry

**NEW LADIES BIBLE STUDY**

*Brave: Honest Questions Women Ask* by Angela Thomas-Pharr. Books will be available at the meeting. Mondays at 6:00 pm in the back room of the Activities Center. Wear your mask! Books are \$7.00

This Bible study for women looks at the heart of what women are thinking and feeling. Angela speaks to participants about deep feelings that all women have at one time or another. She looks boldly at some of the fears and struggles of being a woman, and she helps us see how we can be brave in the face of those challenges.
